#### **GENERAL INSTRUCTIONS**

# WHAT IS A LEASE OR RENTAL APPLICATION?

A Lease or Rental Application is a form used by Landlords to find responsible renters or tenants. Before renting their home, condo, apartment, or basement studio, Landlords should screen prospective tenants for trustworthiness and reliability. A standard Lease or Rental Application allows Landlords to run a background check and credit check on each person who wants to live on their property. The Landlord may charge an application fee to cover the cost of checking your criminal and credit history.

### WHAT TO INCLUDE IN AN APPLICATION

A simple Lease or Rental Application should generally help the Landlord identify:

- Where the Tenant has lived before plus the name and contact info of previous Landlords
- What the Tenant does for a living or how they will pay rent (current/previous employers)
- When the Tenant declared bankruptcy or was convicted of a crime
- Why the Tenant is unable to find housing elsewhere
- **Who** else may live at the property with the Tenant

A basic Lease or Rental Application will identify the following basic elements:

- Applicant: name, date of birth, social security number, and driver's license of renter
- Residence History: current and previous places the renter has lived and their landlords
- Employment: current and previous work places, monthly income, and supervisors
- Other Sources of Income: list of savings, checking, and credit accounts Other Occupants: name of other people who will live on the Premises
- Criminal History: whether the person has been convicted of a crime in the past
- Bankruptcy: whether the person has previously declared bankruptcy
- Co-Signer: Guarantor or person who will co-sign and pay if the applicant is unable to pay

## LEASE APPLICATION VS RENTAL APPLICATION

A Lease Application is usually used when the Tenant will stay on the Premises long term for 12 months or longer, whereas a Rental Application is used for short term stays like a month-to-month.

#### **ACCEPTABLE QUESTIONS**

A Landlord can ask questions that relate to the Tenant's financial situation and past housing experiences. Questions about smoking, pets, previous residential history, employment history are allowed on an application. Questions should not violate the Fiar Housing Act. For example, questions about race, color, religion, national origin, gender, age, familial status, disabilities, or marital status should not be asked on a application

#### WHAT CAN IT BE USED FOR?

Landlords often use a Lease or Rental Application to find the best renter in the following situations:

- Rental properties are in high demand in your area
- Concern about the ability of renters to pay consistently
- Rent control or rent stabilization laws make it difficult to raise rent in the future
- Eviction procedures in the area make it difficult to remove a troublesome Tenant

## CONSEQUENCES OF NOT USING AN APPLICATION

Landlords could save themselves a lot of time and money if they invest in properly screening potential renters. Tenants can provide recent pay stubs, a W2, or an employment offer letter as proof of income. Even after the potential renter fills out the application, the Landlord should put in the time to actually call previous employers and landlords.

Landlords should use a Lease or Rental Application to avoid being accused of unfairly discriminating against a renter. If an application is part of your standard practice, all potential renters get the same treatment.
