

# POWER OF ATTORNEY FOR MY HEALTH CARE

A Simple Health Care Advance Directive

*This form combines the many different state legal requirements into a “universal” legal form that is intended to meet the basic requirements in most states. This form has space so you can add any special instructions or limitations you wish to include. But remember, this form is a basic Health Care Power of Attorney. It is not meant for a lengthy statement of your wishes and preferences. Remember, you should discuss your wishes and priorities directly with your agent and with others who are close to you.*

### **WHAT WILL YOUR AGENT'S POWERS BE?**

My agent knows my goals and wishes based on our conversations and on any other guidance I may have written. My agent has full authority to make decisions for me about my health care according to my goals and wishes. If the choice I would make is unclear, then my agent will decide based on what he or she believes to be in my best interests. My agent's authority to interpret my wishes is intended to be as broad as possible, and includes the following authority:

1. To agree to, refuse, or withdraw consent to any type of medical care, treatment, surgical procedures, tests, or medications. **This includes decisions about using mechanical or other procedures that affect any bodily function, such as artificial respiration, artificially supplied nutrition and hydration (that is, tube feeding), cardiopulmonary resuscitation, or other forms of medical support, even if deciding to stop or withhold treatment could or would result in my death.** \_\_\_\_\_ (Principal's initials)
2. To have access to medical records and information to the same extent that I am entitled to, including the right to disclose health information to others.
3. To authorize my admission to or discharge (even against medical advice) from any hospital, nursing home, residential care, assisted-living or similar facility or service.
4. To hire and fire medical, social service, and other support personnel who are responsible for my care.
5. To decide about organ and tissue donations, autopsy, and the disposition of my remains as the law permits.
6. To take any other action necessary to do what I authorize here, including signing waivers or other documents, pursuing any dispute resolution process, or taking legal action in my name.

### **WHEN WILL THIS POWER BE EFFECTIVE?**

This Power of Attorney for My Health Care will become effective during any time in which, in the opinion of my agent and attending physician, I am unable to make or communicate a choice about a particular health care decision.

### **OTHER PROVISIONS**

1. Health care providers can rely on my agent. No one who relies in good faith on any representations by my agent or back-up agent will be liable to me, my estate, my heirs or assigns, for recognizing the agent's authority.
2. I cancel any previous power of attorney for health care that I may have signed.
3. I intend this power of attorney to be universal; it is valid in any jurisdiction in which it is presented.

4. I intend that copies of this document are as effective as the original.

5. My agent will not be entitled to compensation for services performed under this power of attorney, but he or she will be entitled to reimbursement for all reasonable expenses that result from carrying out any provision of this power of attorney.

**SIGNATURE**
