Colorado Tax Information Authorization or Power of Attorney

Instructions for DR 0145 and Other Forms

General Information

Form DR 0145 may be used for two purposes:

1. **Tax Information Authorization (TIA).** This option appoints another person(s) as designee(s) to receive and inspect confidential tax information from the Colorado Department of Revenue (**Department**).

For example, a designee may:

- call for information about a return, including processing time and refund status;
- request copies of returns, transcripts, notices, or bills; and
- respond to inquiries regarding calculations and supporting documentation for the taxpayer’s previous claims.

However, a designee cannot sign any form or protest, request any other change to the account(s), receive any refund, or otherwise represent or act on behalf of the taxpayer with the Department.

2. **Power of Attorney (POA).** This option appoints another person(s) as attorney(s)-in-fact to represent and act on behalf of a taxpayer with the Department.

A representative has full power to do all things the taxpayer might do, for example:

- receive and inspect confidential tax information;
- make new claims by signing and filing returns, protests, and other forms;
- advocate and negotiate for the taxpayer; and
- execute extensions of the statute of limitations and closing agreements.

However, this form does not allow a representative to substitute or add another representative or to be paid any refund due to the taxpayer from the Department. Actions taken by a representative are legally binding, even if the representative is not an attorney.

Other Forms

A TIA may be submitted for a specific income tax period by marking the Third Party Designee or Paid Preparer Authorization checkbox on the original signed return.

The Department will not accept corresponding forms designed for the IRS or any other governmental agency.

The Department will accept a POA that complies with the Uniform Power of Attorney Act (Title 15, Article 14, Part 7, C.R.S.), provided that it is attached to a form DR 0145 completed as follows:

- Line 1: Enter all applicable information.
- Line 2: Enter “See page #,” with the page number of the other form that explicitly grants “authority with respect to taxes,” which is defined in section 15-14-739, C.R.S.
- Line 3: Enter “See page #,” with the page number of the other form that lists the person(s) authorized.
- Line 4: Do not complete because the authority granted in the other form cannot be altered on this form.
- Line 5: If retention of any prior POA is desired, mark the box and attach a copy of such prior POA(s).
- Line 6: Enter “See page #,” with the page number of the other form that addresses its effective date and expiration.
- Line 7: Do not complete because the other form must be signed.

Line Instructions

Line 1, Taxpayer Information

Enter the taxpayer’s information, and the spouse’s information if applicable, including one of the following tax identification numbers:

- CAN (Colorado Account Number),
- EIN (Employer Identification Number),
- ITIN (Individual Taxpayer Identification Number), or
- SSN (Social Security Number).

A spouse may enter and sign the same form with the same appointee(s), or complete a separate form with a different appointee(s), or remain without an appointee. The effect of a spouse not signing the same form is explained under Required Fields below.

If the mailing address is new, mark the box in that field to indicate that it should be updated on the account.

Line 2, Acts Authorized

Mark one option, either (a) for TIA, or (b) for POA. This authorization includes the spouse if the period is jointly filed and both spouses complete this form.

A POA will authorize only the individual(s) listed on line 3. A TIA will authorize any employee of a firm or organization listed on line 3, unless the second box under (a) is marked to authorize only the individual(s) listed on line 3.

DO NOT SEND

Line 3, Person(s) Authorized

Enter at least one individual, a phone number, and any other applicable information. To authorize additional persons, mark the box as indicated, and attach a list or another copy of this form with the same information for the additional person(s).

Line 4, Tax Matters Authorized

This form will be effective for all periods and all tax or account types administered by the Department as of the date the taxpayer signs the form, unless a specific period and/or specific tax or account type is entered on this line. For example, a business may enter "Excise" to include all of its excise tax accounts, or "Fuel" to include only its fuel tax accounts.

Department-administered tax and account types include:

Income – Individual, Fiduciary, Corporate, and Partnership (includes any entity filing form DR 0106, any amounts reported on form DR 0108, and any liabilities reported on a composite return, but does not otherwise include the liabilities of partners, members, and shareholders)

Withholding – For income tax, including from gaming or real property sales

Severance – Oil & Gas Severance, Oil & Gas Withholding, Coal, Molybdenum, and Metallic Minerals

Sales – All state and state-administered local sales taxes

Use – All state and state-administered local use taxes

Excise – Fuel, Liquor, Cigarette, Tobacco, Nicotine, and Marijuana

PTC – Property Tax/Rent/Heat Credit rebate

Other – Any other Department-administered tax, fee, or license, including prepaid wireless 911 and TRS charges

Line 5, Revocation or Retention of Prior Forms

A new form of one type (TIA or POA) has no effect on a prior form of the other type. See Line 6 below for instructions on revoking a form without replacing it.

A new form of the same type (TIA or POA) will revoke and replace any prior form for the same tax accounts and periods, unless line 5 is marked and a copy of the prior form(s) to remain in effect is attached.

If the new form does not include all of the same accounts and periods as a prior form, then the prior form will remain in effect for its unique accounts and periods until its expiration.

Line 6, Expiration or Revocation of This Form

If no date is entered on line 6, this form expires four years after it is signed. An earlier or later expiration date may be entered on line 6, but it cannot exceed ten years after the date the form is signed. A TIA or POA for an individual taxpayer will also expire upon their death.

A taxpayer may revoke any or all TIAs or POAs without replacing them, or an appointee may withdraw from a TIA or POA, by:

- making a telephone request at (303) 238-7378;
- writing "REVOKED" or "WITHDRAWN" across the top of the form, adding a new signature(s) and date at the bottom, and resubmitting that copy; or
- submitting a signed, written request to the Department that includes the taxpayer name(s) and identification number(s), the tax or account type(s) and period(s), and the appointee(s) being revoked or withdrawn.

Line 7, Taxpayer Signature

This form is effective once signed by the taxpayer, and the Department may communicate with an appointee once it is processed.

If this form is signed by a signatory on behalf of the taxpayer, the signatory is affirming that he or she has the legal authority to do so. The signatory should print his or her name and exact title or relationship to the taxpayer in the appropriate spaces.

Required Fields

Required fields for the taxpayer are labeled with an asterisk (*). If any are incomplete, this form is invalid.

Required fields for a spouse are in *italics*. For periods included under line 4, if a joint return is filed, and any *italicized fields* are incomplete, then this form is invalid for the non-signing spouse, and the acts authorized will be limited to those that may be performed by the signing spouse alone.

Different requirements apply to using form DR 0145 together with another form of power of attorney. See Other Forms above.

Submission & Changes

Submit any TIA or POA as directed at the bottom of this form. If required fields are incomplete, or entries exceed the prescribed limits, the Department will either:

- accept the authorization within the prescribed limits,
- attempt to obtain the missing information by telephoning the taxpayer or the appointee, or
- reject the form, and return it if possible.

To resubmit a form with corrections, the taxpayer must initial and date each change, or add a new signature and date at the bottom. The taxpayer may also complete a new form.

The Taxpayer Helpline at (303) 238-7378 is available for a taxpayer or appointee to:

- ask questions about this form,
- update appointee contact information, or
- revoke or withdraw from an authorization.
