MILITARY POWER OF ATTORNEY

IMPORTANT INFORMATION

Pursuant to Title 10, United States Code, Section 1044b, a military power of attorney is exempt from any requirement of form, substance, formality, or recording that is provided for powers of attorney under the laws of a State and shall be given the same legal effect as a power of attorney prepared and executed in accordance with the laws of the State concerned. A “State” includes the District of Columbia, the Commonwealth of Puerto Rico and any territory or possession of the United States.

This power of attorney authorizes another person (your agent) to make decisions concerning your property for you (the principal).

Your agent will be able to make decisions and act with respect to your property (including your money).

This power of attorney does not authorize the agent to make medical and health care decisions for you.

You should select someone you trust to serve as your agent. Unless you specify otherwise, generally the agent’s authority will continue until you die or revoke the power of attorney or the agent resigns or is unable to act for you.

Your agent is entitled to reasonable compensation unless you state otherwise in the Special Instructions.

This form provides for designation of one agent. If you wish to name more than one agent you may name a co-agent in the Special Instructions. Co-agents are not required to act together unless you include that requirement in the Special Instructions.

If your agent is unable or unwilling to act for you, your power of attorney will end unless you have named a successor agent. You may also name a second successor agent.

If you have questions about the power of attorney or the authority you are granting to your agent, you should seek legal advice before signing this form.
