POWER OF ATTORNEY FOR MY HEALTH CARE

A Simple Health Care Advance Directive

This form combines the many different state legal requirements into a "universal" legal form that is intended to meet the basic requirements in most states. This form has space so you can add any special instructions or limitations you wish to include. But remember, this form is a basic Health Care Power of Attorney. It is not meant for a lengthy statement of your wishes and preferences. Remember, you should discuss your wishes and priorities directly with your agent and with others who are close to you.

My agent knows my goals and wishes based on our conversations and on any other guidance I may have written. My agent has full authority to make decisions for me about my health care according to my goals and wishes. If the choice I would make is unclear, then my agent will decide based on what he or she believes to be in my best interests. My agent's authority to interpret my wishes is intended to be as broad as possible, and includes the following authority: (Check all that apply)

☐ 1. To agree to, refuse, or withdraw consent to any type of medical care, treatment, surgical procedures, tests, or medications. **This includes decisions about using mechanical or other procedures that affect any bodily function, such as artificial respiration, artificially supplied nutrition and hydration (that is, tube feeding), cardiopulmonary resuscitation, or other forms of**

medical support, even if deciding to stop or withhold treatment could or would result in my death.
_____ (**Principal's initials**)

☐ 2. To have access to medical records and information to the same extent that I am entitled to, including the right to disclose health information to others.

☐ 3. To authorize my admission to or discharge (even against medical advice) from any hospital, nursing home, residential care, assisted-living or similar facility or service.

☐ 4. To contract for any health care-related service or facility for me, or apply for public or private health care benefits, with the understanding that my agent is not personally financially responsible for those contracts.

☐ 5. To hire and fire medical, social service, and other support personnel who are responsible for my care.

☐ 6. To authorize my participation in medical research related to my medical condition.

☐ 7. To agree to or refuse using any medication or procedure intended to relieve pain or discomfort, even though that use may lead to physical damage or dependence or hasten (but not intentionally cause) my death.

☐ 8. To decide about organ and tissue donations, autopsy, and the disposition of my remains as the law permits.

☐ 9. To take any other action necessary to do what I authorize here, including signing waivers or other documents, pursuing any dispute resolution process, or taking legal action in my name.
